14th May 2021

Once again we have had a fantastic week in school where we have all enjoyed some wonderful learning. Please ask your children to tell you all about the exciting things they have been doing this week in school.

CLAPA – Oscar's Walking Challenge:

One of our pupils has set themselves a challenge to walk 10k this week to raise money and awareness for CLAPA (Cleft Lip and Palate Association). Year 3 have chosen to support their friend Oscar by joining him on a few laps of the school track to help him achieve his challenge and for the whole class to collectively achieve 100k, each person joining Oscar has walked approx. 3k.

Well Done to Oscar, his Family and the Year 3 Team!

Summer Raffle Reminder:

To support the Friends of St Joseph's we will be running a summer raffle, with prizes being hampers produced by each class. Each Class have a theme for their hamper and we are asking for donations to be sent into school by Friday 28th May so that the prizes can be made up ready for tickets to be sold after the half term holiday.

Reminder: Internet Safety

Whilst our children now, more than ever, are confident when using the internet and understand how to keep safe online, we still have an important role in helping them to maintain safety. We shared a couple of brilliant guides on our Facebook page earlier this week but also wanted to share with you the following link to the NSPCC website where you will find even more information to support both parents and children keeping safe.

Forest School – Resources Needed

We are creating a mud kitchen for the children to use and enjoy during their Forest School Sessions. We are looking for donations of any pots, pans, spoons and kitchen utensils that you no longer require so that children can really enjoy this new area for learning.

In addition if anyone has any old herb pots or herb plants that can be planted outside, they would be gratefully received. Any donations can be left at the school office. Thank you.
