It has been another wonderful week of learning here at St Joseph's! Our word of the week this week has been Example and we have been setting fantastic examples to others with the hard work that has been taking place. Ask your child about the exciting things they have been doing this week.

Italian Special Day – Thursday 20th March

Our children had a wonderful day celebrating the Italian Themed lunch yesterday. Some pupils were involved in producing decorations and sprucing up the hall for the event whilst a few others were able to work with our Chef to learn the art of Pasta making. All children were able to receive a sample of the menu and initial feedback is that they all had a great time! We hope to be able to offer more themed days and feedback from children and parents about these events would be welcome. A big THANK YOU to Chef Krishna and his team Val and Leanne.

Summer Raffle Reminder:

Thank you to those who have already donated items to support with the building of class hampers to be raffled after the half term break. All funds raised from the sale of raffle tickets will be used towards end of year celebrations including the Year 6 Leavers event and hopefully individual bubble discos for all classes. A reminder of each classes theme for their hamper is below, please can donations to be sent into the relevant class by Friday 28th May!

JOIN THE TEAM

Friends of St Joseph's Update:

Our PTA have had a difficult year due to the restrictions in place but they have continued to support and donate funds to school as much as possible. Next year they plan to come back bigger and better and would love to see new members join the team. If you have any ideas to help fundraise for the school and would like to join the team, please let the school office have your details and we will pass these on to rest of the members of the Friends St Joseph's. PTA meetings hope to resume in September and will be held regularly in school. If you are not able to attend every meeting, this is not a problem, as your support at just one meeting/event will always be greatly appreciated.
