This will be used to set up online learning projects in the future and for homework links. Please have a practise accessing this account so you are prepared in the event of your family needing to isolate.

Wrap around club: A reminder we offer full wrap around from 7.30- 5.45pm, bookable as a one off or as regularly. Please enquire at the office.

Flu vaccination- The school nurse will be visiting on the 16th November to provide the Flu spray vaccine for any children whose legal guardian has completed the consent online. This does not include Nursery children, please consult own doctor to book this in.

Parking/ congestion outside school: We have had a number of complaints again this week about cars blocking drives close to school and parents congregating outside school unnecessarily after dropping children off. A reminder that during lockdown, it is crucial that you drop off children swiftly and then return home immediately or to work as congregating and chatting outside school is not permitted during lockdown.

Children In Need: Next Friday (13th) children may wear their Pudsey merchandise to support Children In Need. We still have ears (£2.50), wristbands (£1) and badges (£1) for sale if required.

Nursery Place: If you have a younger child not yet at Nursery age and are considering our Nursery, please complete an application, places for Nursery are allocated on a first come, first served basis.

Ventilation: We have had a number of parents concerned about windows and doors being left open during day. Please be assured that we are monitoring the situation and at the moment, the heating is working overtime to ensure none of the classrooms are too cold. Mr Burkett is sourcing blue fleeces with school logo which can be purchased to wear in class. No hoodies to be worn in school.
