

# Year 3 Homework - 23.09.22

## Maths

Find 1, 10 and 100 more and less than the following numbers.

- a.) 415
- b.) 552
- c.) 289
- d.) 874
- e.) 623

## English

Write sentences that include expanded noun phrases using rainbow grammar colours. Start with your noun (river), add one or two adjectives (fast-flowing) before the noun to describe it, add a verb (crashed) after the noun and finish off the sentence.

The fast-flowing river crashed into the rocks.

## Science

Next week, we will be looking at how water is transported within a plant. You could do some research and/or see if you can carry out an investigation to show this. Make sure you take lots of photos if you do 😊

## Art

Have a practice at mixing paint to create secondary and tertiary colours. If you don't have paint, research if there are any famous paintings that use these.

Homework due on  
Wednesday 28th September.
