

Homework

Friday 30th September 2022

Word of the Week: Inclusion

Maths - Partitioning

Complete the worksheet attached.

English

Choose five of your spellings - write a sentence for each.

Reading

Read to an adult every day for 10 minutes and use the reading record to record any comments.

Spellings -

feather head bread breakfast spread
bird skirt girl first third

Design and Technology - Why we cook food

Explore how pulses and root vegetables are softened by cooking. Look at and feel a variety of dried pulses and root vegetables, including lentils, chickpeas, kidney beans, butter beans, carrots, parsnips and turnips, and discuss why they need cooking. Prepare by peeling and chopping. Discuss hygiene rules around food preparation and supervise the use of sharp knives. Cook the vegetables and allow the children to cut and taste them, discussing how they have changed after cooking.

Additional Information

- P.E will be on a Wednesday
- Homework will be sent out on Fridays, to be returned the following Wednesday (in time for marking)
- Spelling tests will be on Fridays (done in the back of homework books)

This week - We had a fabulous time at Yorkshire Wildlife Park on Monday, learnt about world habitats on Tuesday, sustainability on Wednesday, the United Kingdom on Thursday and we reflected and evaluated our eton mess homework from last week. We loved seeing all of the photos!

Thank you for your continued support,
Mrs Heath
