

## This Week's Homework...

Our current R.E topic is People.

### Reading:

Read every night!  
Keep working towards  
our reading rewards.

### Literacy:

Our first unit is all about Adventures  
In a couple of weeks, we will be writing  
your own adventure narrative about  
somewhere special.  
Think about somewhere you would like  
to go on an adventure and write 5  
interesting facts about this place.

### Spellings:

muscle  
descend  
science  
scented  
scissors  
crescent  
disciple  
scenery  
fascinate  
disciple

### Numeracy

Times tables are very important in Year 4!  
Start the year off by making sure you're fantastic at your  
3 times tables. You can do this however you want – by  
writing them down up to 12 x 3, chanting them out loud  
to someone at home, completing missing number  
calculations... the choice is yours!  
Challenge – try chanting them backwards!

As it is our first week back, there is only homework for spellings, literacy and numeracy this week. Remember, homework is handed out on Fridays and returned on Wednesdays.

Spelling tests will be on Friday afternoons unless there is a special event. In this case, we will move the spelling test to Monday instead.

Here's to a fantastic year ahead of us!

Mrs Willers☺
