

Word of the Week: Fasting

**Maths - MULTIPLICATION AND DIVISION**

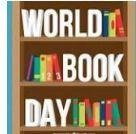

We are continuing with our maths topic on Multiplication and Division. Keep practicing!

Practice  $\times 10 \times 5 \times 2$  and  $\times 4$  timestables.

TT Rockstars - 10 minutes is set each week for you. See if you can take up the challenge for 5 extra House Points!

**READING**

Continue to read at least 3 times a week and record in the reading diaries.

**WORLD BOOK DAY - THURSDAY 7<sup>TH</sup> MARCH**

Your challenge is to make a story character out of an object from nature- for example by painting a stone, log slice etc. Some examples below. It is hoped we can use all the creations to make an exciting reading focus area in our Forest School

As well as our Forest School creation competition, we will also be holding a book sale, selling brand new books for £1 and £2 in the hope all children will enjoy a new book for World Book Day (picture books £1, chapter books £2 including a range of fiction and non-fiction books).
