

15.03.24

Homework to hand in on Wednesday's and Friday new homework sent out.

RE	<p>Next week, the word of the week is 'Journey'. Lent is a time of journeying with Jesus Christ. It is a time of reflecting on our lives, repenting our sins, and growing in our faith. The journey of Lent is a challenging one, but it is also a rewarding one - it helps us to grow closer to God.</p> <p>Find some time for quiet reflection this weekend.</p>
Reading	Read your reading book daily and fill in your reading record. Make sure you get an adult to sign your reading record.
English	<p>Voice 21 - Treasure Hunt Game.</p> <p>We have been developing talk across the curriculum and children have been thinking carefully about how to communicate clearly and build on ideas.</p> <p>To play the treasure hunt game, you need to hide something in your house and then describe the hiding place to a family member, without explicitly telling them where it is.</p> <p>You could use statements such as:          "It's in the place where the cheese goes to sleep" (Fridge).          "It's visiting the object which screams and whistles when it's done! (Kettle).</p> <p>Or, you could use positional language to guide a family member to the object:          Turn 90 degrees          Clockwise          Anticlockwise          Make half a turn</p> <p>This activity helps to build linguistic skills as it requires children to think carefully about the language that they are choosing to use. It also helps to build social and emotional skills as children need to consider their audience and how they might need to adapt their communication.</p>
Maths	<p>Complete the TT Rockstars task - there are 5 soundcheck games to complete.</p> <div style="display: flex; align-items: center; justify-content: center; margin: 20px 0;"> <div style="display: flex; gap: 10px;"> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">1</div> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">2</div> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">3</div> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">4</div> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">5</div> <div style="border: 1px solid black; padding: 5px; background-color: #e0f0ff;">6</div> </div> <div style="margin-left: 100px;"> <math>\times</math> </div> <div style="margin-left: 100px;"> <div style="display: flex; gap: 10px;"> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> </div> <div style="display: flex; gap: 10px; margin-top: 10px;"> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px;"></div> </div> <hr style="width: 100%; border: 0.5px solid black; margin-top: 5px;"/> </div> <p>Using all the digit cards, create four different calculations and work out the answer to each using the method we have been learning about this week.</p> </div>
