

Word of the Week: Almsgiving

**Maths - Length and Height**

We are measuring in centimetres (cm) and metres (m). Can you find 5 things to measure at home and record your findings.

Practice  $\times 10 \times 5 \times 2$  and  $\times 4$  times tables.

TT Rockstars - 10 minutes is set each week for you.

**READING**

We enjoyed World Book Day on Thursday. Keep reading! Curl up with a favourite book over the weekend. *Continue to read your reading book at least 3 times a week and record in the reading diaries.*

**Spellings -**

**Spelling words**

washes	wants	working	watering
squashes	squatting	swaps	matches

**Prickly spellings**

who	whole
-----	-------

**BRITISH SCIENCE WEEK**

We will be taking part in British Science Week with lots of science activities. Be a Scientist and try out the Tea Bag experiment at home! Instructions on the separate sheet.

**POSTER COMPETITION**

The theme this year is 'Time', -Create a poster on how a certain type of technology has changed over time, or even time-telling technology itself! You could go futuristic and show us how they think the world might look in years to come, or perhaps look at nature - lifecycles, lifespans, evolution and hibernation - nature is full of timely topics.

British Science Week 2024 marks the Week's 30<sup>th</sup> anniversary. Students could think about scientific innovations since then, or explore 1994 itself - what was life like 30 years ago?

Closing date: Friday 15<sup>th</sup> March

**Additional Information**

- Year 2 have **PE on TUESDAYS**. Please remember PE KITS. PE kit is white TShirt and black/navy shorts or joggers. Remove jewellery or cover earrings with plasters.
- Homework is sent out on Fridays, to be returned the following Wednesday

.Thank you for your support.

Mrs Harris
