

Year 3 Homework - 11.10.24

Maths

TTRockstars - there is a battle on! You are taking on the Year 4's this weekend. It begins at 3.30pm Friday and ends 7pm Sunday. Go and earn as many points as you can.

Geography

Next week, we will be learning about some of the leisure activities that take place on a river. Research these and the positive and negative impacts of these.

River Walk

Sadly, we're not going to get a chance to go down to the river. If you get the opportunity over the weekend or half term, please do. We were going to measure the speed and depth of the river and complete a sketch of what we could see.

R.E

Our new unit of work is called 'Promises'. We learn about the promises made at baptism. If you have been baptised and have any photos, we'd love to put them on our display.
