Maths - MULTIPLICATION AND DIVISION

We are starting our maths topic on Multiplication and Division. Have a go at being multiplication detectives using the attached sheet.

Library Visit

We loved our trip to the library today! If you haven't already, ask your grown up if you can join the library. There are so many exciting books that you can take home and enjoy!

Reading

Please read at least 3 times a week and write in the reading record. Children are now getting independent readers and can change their own books once their records have been checked. We are working hard towards our next reading reward which we have chosen - a visit from **Ted the Therapy Dog!**
