

Year 3 Homework - 21.03.25

Maths

This week, we have been learning about measuring lengths. Use a ruler or tape measure and find 5 objects in your home that are; under 30cm, between 30cm and 1m and over 1m. Record the length of each item.

Reading

This weekend, I would like you to spend some time doing some reading for pleasure. You could write a summary about your book or the part you have read over the weekend.

Art

I would like you to design a piece of Ancient Greek pottery. Think about the shape, the design and the meander border. You might want to explain what your pot would be for.

History

Next week, we will be learning about the Olympics. Find out when and where they originated, what events they used to do in the Olympics and if any are the same or different now.

Homework due on Wednesday
26th March.

PE kit

Next week, we will have our normal PE lesson on Tuesday and on Thursday, we have our next enrichment day where all children will have an opportunity to have a go at archery. Please ensure you send your child to school in their PE kit on both Tuesday and Thursday.
