

Year One

Class Information

Advent Term 2025

St Joseph's Catholic

Primary School and Nursery

Welcome

Welcome to Year One!

We are delighted that you are here.

We're going to have an incredible year together!

An important part of our mission - To grow in Love, in the Spirit of Christ, for the Benefit of All - is making sure that each member of the St Joseph's family is supported. That includes parents!

Therefore, if ever you need to know something, just ask 😊

Topics this term

English	Maths	RE	Science
Traditional Tales Non-Chronological Reports	Place Value (within 10) Addition and Subtraction (within 10)	Creation and Covenant	The Human Body
Geography	Art	Computing	PE
Is Our School Green?	Painting	Online Safety and exploring Purple Mash Technology outside school	Hit, Catch, Run

Marvellous Me

Please keep an eye out for regular updates sent home using our Marvellous Me app. Class specific updates will usually be added to Marvellous Me first.

Upcoming Trips

We are really looking forward to another amazing Pantomime in Mansfield this year. We will also be offering our residential trip to Gulliver's during the Summer Term. Keep an eye out on Arbor for booking information.

Homework

Homework is an important tool we use to consolidate key learning in year 1. It also instills in our children the value of their learning and gives them the opportunity to show you, as parents, how much they are progressing.

The topic homework that we send out half termly encourages your child to be creative, as well allowing your child to practice key skills and demonstrate their knowledge.

The weekly homework your child will receive will be linked to what they have been doing in class.

PE kits

You will be informed of when our PE days are for this term via Marvellous Me. Please ensure that your child comes dressed in their kit on their allocated PE day. Jewellery, including earrings, is to be removed.

Mission Makers

Each week, each child will begin with 5 Mission Maker points. Mission makers will be removed, after a warning, for negative behaviours. However, if a child does not lose any Mission Maker points during the week, these are converted into five extra house points in addition to any others that they have earned during the week!

We hope you find this information useful

Mrs Holland and Miss Croucher
