

# Year 4 Homework - 05.09.25

## Maths

This week, we have been learning about representing 4-digit numbers. For the below, represent using place value counters and write in words.

- |          |          |
|----------|----------|
| a. 4,253 | b. 5,167 |
| c. 2,059 | d. 3,127 |
| e. 1,906 | f. 7,150 |

## Literacy

Next week, we will be beginning our writing unit on biographies. Do some research to find out what a biography is and some common features of a biography.

## Photos

The big question for our R.E. 'People' topic is 'Where do I come from?' - if you have any family photos for our display, that would be much appreciated. Also, please send in photos of your child reading in their favourite/unusual place.

## TTRockstars

In Year 4, the children will complete a multiplication test that covers all times tables. There is lots of work to be done over the year on times tables but for now, please keep practising on TTRockstars.

Homework due on Wednesday 10th September.

## Next week's spellings - prefix in-

- |              |                 |
|--------------|-----------------|
