

Advent 1 Topic Homework: How Green Is Our School?

Our topic for Advent 1 is 'How Green Is Our School?'. This half term our focus is Geography and we will be learning about the physical and human features of our local area.

To support our learning in the classroom you will need to complete 3 pieces of homework from this homework grid. Choose one activity from each column - Do it! Make it! Write it!

The three pieces of homework need to be completed by **Wednesday 8th October**, which is the Wednesday before our half term break. However, if you complete any of these tasks early, we can show off your amazing work on our classroom display.

| Do it! Remember to take photographs 😊 | Make it! | Write it! |
|---|---|--|
| Help your parents with recycling at home. This links to Stewardship, which we will be learning about in RE. | Draw pictures of physical (natural) features around where you live – e.g. a river | Write a list of items you can recycle |
| Take a walk around your local area, looking for different physical (natural) and human (man-made) features. | Create a map of your street. Can you show the gardens? Are there any shops? How many houses are there? | Make a colourful poster, persuading someone to visit Ollerton/Boughton |
| Find out about famous Nottinghamshire Landmarks – e.g. The Major Oak, Nottingham Castle | Create leaf art. This could be prints, a collage or a craft like the one below  | Write a list of things you would see in and around our school |
