

Homework
Friday 3rd October 2025
Word of the Week: Work

TOPIC – How Green Is Our School?

Don't forget your topic homework activities, choosing one activity from each column - Do it! Make it! Write it!

These tasks are due next **Wednesday (8th October)**. So many children have already brought their special homework tasks in and shared them with the class. They're amazing!

Maths

We have been learning about number lines.

Ask your child to complete the attached worksheet to practise this Maths skill.

Reading

Read with your grown up for approximately 5 minutes every day. This can be any book, but please try to read your reading book during the week.

The reading book you receive will be one that you have used in class during our Guided Reading sessions. Make sure your adult writes in your reading record every time you read together.

Spellings

Please have a go at the following spellings which we have been practising in our Phonics lessons

Science

Investigate who in your family has:

The biggest feet

The longest hair

The thinnest eyebrows

The widest hands

RE

Look carefully at the leaves that are now falling from the trees.

What do you notice about their colour? Shape? Patterns?

What things do you wonder about God and Creation?

Additional Information

This half term, the children will be accessing our Forest School provision on Wednesday afternoons.

Please ensure that your child has suitable clothing. There is guidance on the school website about what the children require for these sessions.

Please complete this homework by Wednesday 1st October
