Word of the Week: Inclusion

TOPIC – How Green Is Our School?

Thank you to everyone who has brought their special homework tasks into school and shared them with the class. They're amazing!

Maths

Play a board game with your family. If you are using dice, practise your subitising skills

Reading

Read with your grown up for approximately 5 minutes every day. This can be any book, but please try to read your reading book during the week.

The reading book you receive will be one that you have used in class during our Guided Reading sessions. Make sure your adult writes in your reading record every time you read together.

Spellings

Please review the tricky word spellings we've looked at this half term.

You are all doing so well with your sounding out, but tricky word practise will help you so much with your day to day writing tasks.

Science

We have been exploring taste and touch.

Talk to your family about your favourite tastes and textures.

Are there any textures and tastes that you really don't like? Talk about them too!

RE

We have been learning about Laudato Si.

What did Pope Francis want us to do? Why was this important?

Additional Information

PE next half term will be on Wednesday (pm) and Friday (am). Please ensure your child comes to school in their correct kit.

A reminder that our school's PE uniform is plain black leggings, joggers or shorts with a plain white T-shirt. The children should not have any logos or stripes on their PE kit.

Advanced Notice: We will be having our Robin Hood and Maid Marian dress up day next half term. Please see the newsletter for further updates.

Have a lovely half-term break!
This homework is due on Wednesday 5th November
