

Curriculum Enrichment Plan

2025/ 2026

It is our aim at St Joseph's Catholic Primary School that each child is taught an ambitious, broad and balanced curriculum. At St Joseph's we promote the personal and character development of all children through a wide and rich set of experiences. The opportunities offered go beyond the expected and is of high quality. The planned quality experiences enhance the quality curriculum on offer. At St Joseph's Catholic Primary School, we have a rich and diverse Catholic Life programme; we believe our faith permeates all we do for and with our children. Prayer, Sacramental Preparation, the lives of the Saints and Collective Worship are all active elements of Catholic Life.

We follow the 'Extra Ordo Nary' Liturgical plan and we work together across all phases of the school to look at the values that come from the Gospel and teachings of Jesus. Each week the whole school focus all of their worship around a 'Word Of The Week'; we spend time reflecting on the meaning of the word; how we see these values in action in our lives and in the lives of others and how we can work to encapsulate these values in our lives. All classes discuss the meaning of these words at an age appropriate level; during whole school assemblies and Masses we will consider what they mean and will take time to reflect, quietly and peacefully, together so that we can listen carefully and try to hear the inner callings of our hearts.

Teaching about British Values is incorporated into the focus of our RE and RHSE Curriculum and is also taught explicitly during Assemblies and lessons (following the 10/10 Life To The Full programme). Our school reward system is linked to our Word Of The Week mission as children are awarded certificates weekly during a whole school assembly for demonstrating these values in their classrooms, around the school and in the local community.
