

F2 Homework

Week beginning: 19/09/25

Homework is a partnership; it reinforces everything we learn in class. Our motto is practise makes permanent!

Events

Reminder

Book bags to come into school daily, please ensure book bags are in school every Thursday so that we can change books for pleasure, reading scheme books and mark homework. **We only mark books on a Thursday night, exceptions are if children are absent.**

PE will continue take place every **Monday** and **Tuesday** this term

Forest school will take place every Friday please arrive dressed for forest school and bring a spare set of clothes incase your child gets wet or muddy.

Monday 22nd September Non-Uniform children to come to school in non school uniform (Bright colours). £1 donation please to donate to Cafod. We will still be taking part in our Mansfield town PE session therefore children need suitable footwear.

Reminder

please ensure children are wearing the correct EYFS uniform. Please refer to our uniform checklist. (No ties, shirts) This is to support our children to become more independent, and so they are able to access our indoor and outdoor activities comfortably without restrictions such as long sleeved shirts etc.

Phonics

We have learnt four more sounds this week in our phonics lessons.

Please continue to practice these sounds at home. This will support your child and ensure that they know their sounds confidently.

Reading

Please record, when you read with your child in their reading diaries. Your child moves up our reading ladder in class each time you write in their reading diaries. We are working together as a class to get our class reward. Our children have chosen to ride on our didi cars as their reward this term.

Challenge: Visit the library and choose some books to read this half term!

Maths -

This week we have been counting objects carefully, using our touch, move and count method.

Get a bucket and 5 balls - you could scrunch up paper balls or roll pairs of socks into balls. How many balls can you throw into the bucket? Count them as they land inside the bucket. You could make the game more of a challenge by moving the bucket further away.
