**Ck:** our first digraph, (two letters that make one sound)

e, u, r

How many sounds can you remember that we have learnt so far. (Use the letter cards we have sent home each week).

### Reading

This week your child has a reading scheme book, that they have been reading in class.

This book has been matched to their assessment score so far. Please support your child to read this book to you.

Please record comments in reading records.

Your Book for pleasure : This book is a book your child has chosen, for you to read to them.

### Maths

This week we have been subitising. (counting using our fast eyes)  
Play a board game using a dice this is great to support listening and turn taking. Roll a dice and say what number it is without counting.

### Writing

Continue to use your name templates sent home last week to write names with correct letter formation.

We have a timer and trace over our name for five minutes using different coloured pencils. Felt tips.

At the end we have a go at writing our name with correct letter formation independently.

(please refer to your letter formation sheet sent home last week).
