

Christmas Homework
Our Word of the Week this week has been *Joy*
Over Christmas, our Words of the Week are *Love* and *Family*

This term has been very busy. You've all been learning so much. Miss Croucher and I feel that you absolutely deserve lots of rest, fun and family time. However, we have a few Christmas tasks for you to complete. Try to do as many as possible over the Christmas break. Please ask your parents to take photos of you doing some of these things to show me and the class. As you work through this list of Christmas tasks, tick them off ☺
