Remember to put ten in your head and count on when finding your total

Make sure your adult records your reading in your reading record book or your reading will not be counted towards this half term's reading award.

This week, your spelling words are:

Science

In Science, for our Animals topic, we have learnt about mammals. Mammals have fur or hair. They have live young, rather than lay eggs. They are warm blooded.

Sort the animals below into mammals and not mammals.

RE

In RE, we have been talking about how Jesus is a light to all nations. We have explored the symbol of light, and its importance.

Find light sources within your home. Why are they needed and how do they help us?
