BRITISH SCIENCE WEEK

This week, we have celebrated British Science Week. We have tested our questioning skills. Try out this question at home!

How can you tell if an egg is raw or hard boiled?

The key is in the spin! A hard boiled egg will spin nicely and a raw egg will wobble.

The raw egg is full of fluid which moves around as it spins making the egg wobble!

Additional Information

FOREST SCHOOL SESSION WILL BE FRIDAY 20th MARCH.

BIG LENT WALK ON WEDNESDAY 18th MARCH. WE ARE RAISING MONEY FOR CAFOD.

Children to come to school in their brightest colours. Sponsor envelopes to be given out
