Talk about! Word of the Week: Encounter

Maths - Counting objects to 10.

This week, we have been practising counting objects to 10. Please continue to practice this at home. It doesn't have to be mathematical objects, it can be anything at all.

Handwriting - Capital letters for names

This week, we have been focusing on our handwriting and using capital letters for names. Children could write the names of the members of their family. Remember to keep your writing on the line and your capital letter should be bigger than the lower case letters.

Alternatively, you could do further practice of those we've done in class.
